CALISTA BUSSIE, Editor-in-Chief

MARILYN VERPLANK, Business Manager

POLLY ANN LESKO

Born March 6, 1932

Died February 11, 1949

We will miss Polly, but we feel that she has gone on ahead to explore a greater Utopia. God's blessings on our dear classmate.

Harlie Garver, superintendent of schools and **William Kendall**, principal

Soon it will be time for the class of '49 to pass through the doors of Hobart High School, not as students, but as men and women of the world. Many things have been learned, some from books, others from experience. Only time will prove which is more valuable.

JUNIOR CLASS OFFICERS

President—Gail Blackman

Secretary—Norma Dowd

Vice President—Glenn Carlson

Treasurer—Marilyn Jordon

Under the watchful eye of President Gail Blackman, the prospects began their many fund raising activities for the May 14 prom.

"We Shook the Family Tree" was presented in November. The prospects began buzzing after

the mid-year with committee meetings, selling of concessions at basketball games, and the money making dance. As the winter neared an end, the juniors took time out for their class party based on the theme "Winter Wonderland."

This year the baton of the Hobart High School Concert Band was taken over by a new and talented director, Richard A. Worthington. At the resignation of Frederick C. Ebbs to accept a position at Baldwin-Wallace College, Mr. Worthington, former director of Belding High School Band and a former student of Hobart High School and the University of Michigan, was hired for the responsible position.

The marching season proved Mr. Worthington would continue the fine work of his predecessors. Excellent formations were executed and much new drill work amazed the spectators with its complexity and beauty.

The concert season provided programs of great and beautiful music for the band's followers. Mark Hindsley, music director at the University of Illinois and one of the nation's foremost music educators, appeared as guest conductor at the annual mid-winter concert. During the concert season such difficult numbers as Wagner's "Die Meistersinger," Liszt's "Les Preludes" and Franco's "Aguero" were played by the band with skill and fine technique.

As in former years, the band carried off many first division awards in solo, ensemble

and concert competitions, attesting to the long hours of individual and group practice.

A tour of Wisconsin and Michigan was taken in April, further spreading and strengthening the reputation of Hobart High School.

Student director Bill Stonebraker, conducting. Right: Jim Schwachow and Frank Zajec, solo clarinetists.

Senior High Chorus

The vocal department under the capable direction of Miss Evelyn Deardorff, has been strengthened and developed into a leading force for good music. Members of the chorus have appeared on many programs for school and public affairs. At Christmas they joined with the band in presenting a concert and convocation of seasonal music. In

the spring a joint concert by the band and chorus was given for the public.

This year the chorus helped broaden Hobart's music interests by sponsoring a concert of the nationally known Baldwin-Wallace College Choir.

Entering the state vocal contest for the first time this year, the chorus placed in the second division.

Some of the members of the Chorus are shown hard at work at the popcorn machine, a concession they held the greater part of the year to help finance the purchase of black robes for their group.

The girls' sextette, a group of selected voices accompanied by Ruth Vorpahl, devote their spare time to improving the quality of their singing. These girls have appeared on many programs for local organizations. In the district contest held here they placed first and at the state finals they won a second division award. Seated: Miss Deardorff and Ruth Vorpahl, accompanist. Standing: Lorene Schavey, Norma Bowd, Lois Hughes, Glee Hoge, Catherine Emory and Wilda Olson.

Miss Deardorff has spent a great deal of time working with the high school chorus and in order for them to present a more harmonious appearance, the group has worked hard all year to purchase black robes. In February a bake sale and card party was sponsored and the popcorn concession was theirs for most of the year.

Individual members of the Chorus participated in two solo contests, one a district, held here in Hobart, and the other, a state held in Indianapolis. Fifty selected voices of the chorus competed in the contest held in Lafayette during April.

The Choir shows great promises of continuing in the future its excellent work.

Cross Country Review

The 1948 cross country season proved the most successful in the history of the sport at Hobart High School. Undefeated until the hill-and-dalers took part in the final state championship meet, the local harriers raced through all opposition in the Calumet area and added South Side of Fort Wayne to their victory string to take in the best of the outside opponents that could be scheduled.

Climaxing a schedule of six dual and triangular meets as warmups before the championship meets, the Brickie runners copped the Lake-Porter conference trophy for the second straight year, annexed their first Hobart Invitational trophy in eight years running, and then posted their second successive IHSAA sectional victory to give them a mark of nine straight triumphs during the campaign. Things went bad at the state meet with several runners getting sick, and one of the top seven runners not able to make the trip. Considering all angles, the Brickie gallopers were fort-

unate to save eighth place in the final state ranking.

The top eight runners for the season, with Bill Greene winning the honorary captaincy with the highest total points scored, ranked in the following order: Bill Greene, Don Brown, Don Davis, Bill Matsey, Harry Bonner, Bill Strehl, Richard Bonner and Bob (Red) Goodwin.

Football Review

The Brickie gridmen completed their season with a total of four wins, four losses, and one tie.

Their first game was a 7-7 deadlock with the Froebel Blue Devils. In the second game they rode over the East Gary Eagles with a score of 26-7. The Brickies took the first defeat when the Lowell Red Devils won a 14-0 game.

The Brickies came back the next week to defeat the Bombers of Rensselaer 6-0. Crown Point was the next on the list; the Brickies won over the Bulldogs with a 26-7 score. The next game was a tough one for the Brickies when they yielded a 13-12 game to Griffith. The following game involved a journey for the Brickies who went to Muskegon, Michigan, only to lose by a score of 25-7.

The next game was the homecoming game in

the Brickie Bowl, where they rode over the Westfield Shamrocks by a score of 34-12. The final game of the season took the Brickies to Valparaiso where the Brickies lost 9-0.

CO-CAPTAINS

Frank Zajec, left, and Don McAfee, right, both returning lettermen, were elected co-captains of the 1948 football team.

Frank, a varsity fullback for two years came out for football in his sophomore year. Although he had a slight leg injury, Frank was one of the power horses of the back field in both his varsity years.

Don, who was out for football four years, held a varsity berth as left half the last two seasons. Don, plagued by a leg injury received in his junior year, was one of the fastest and best open field runners of the past two seasons.

Review of Basketball Season

With Gene Mack and George Sweat lone hold-over letter winners returning as co-captains for the 1948-49 basketball campaign, the Brickie basketball team visioned hopes of surpassing the record of 12 wins and 7 losses chalked up by the '47-'48 team. These hopes were cut short, however, as the season got underway with three unexpected losses to Wheeler (41-34), Lowell (40-38) and East Gary (35-34). The Brickies finally cashed their first win of the season on January 3, defeating Dyer on the Indian hardwood 38 to 26. Victories followed over Chesterton (41-36), Gary Edison (40-37), and Griffith (55-50). At the end of the season the team had a record of 10 victories and 9 losses.

In section play the Brickies drew Whiting Oilers, the top team along with Horace Mann of Gary in the Northern Indiana Conference, and went down to defeat by the score of 49 to 35.

Big Gene Mack proved to be the best offensive man for the Brickies all season, getting a total of 216 points on 54 field goals and 62 free throws. Other players scoring over one hundred points were: Don Govert (148), Erwin Woods (112), and Carl Schavey (103). Don Govert won the free throw award for the season with a .615 percentage on 40 out of 65 attempts.

Brickie Thinclads

Two new track and field records were added to the Brickie Honor Roll during the 1948 season. Carl Shield, a standout athlete in Hoosier track athletics with the 12 pound shot put ball for four years, climaxed his senior year by posting an all time Indiana best for the shot put event when he tossed the iron ball 57 feet 11½ inches in the annual Lake-Porter Conference meet. He became the second athlete in Hobart track history to go through the entire season "undefeated" and win the state Championship. Ray (Cy) Cizek accomplished the first feat in 1943 while competing in the quarter mile race. James (Red) Dinsmore lowered the record for the half-mile run to 2:04 in the annual LaPorte Invitational track meet. This also set a new meet record and gave Dinsmore the honor of holding two records for the meet. He set the standard for the quarter-mile race in 1947 at 52.6 seconds.

Top: Gene Mack, high jump; Kenny Noel, 100-yard dash.

JR. HIGH CHEERLEADERS

Sandra Scott, Connie Murphy and Thelma Mullins go through their paces.

WITH Wilda Olson at the head of our freshman class, we began our eventful high school career. Our first big party that year was a "Sadie Hawkins" dance. Charlene Van Blaircom and Leon Mehalic were crowned Sadie Hawkins and Li'l Abner.

"How can we raise money for our Junior Prom next year?" was the main topic of discussion during our sophomore year. Under the leadership of our president, Stewart Mattix, we raised money from the sale of magazine subscriptions as a starter toward our prom fund. The next year we supplemented this with money brought in by the sale of pencils.

Juniors! At last we could go to the prom. After committees were appointed by Calista Bussie, president, and the other class officers, our prom theme was chosen, "Candy Lane of Memories." Between prom plans and presenting our junior play "A Little Honey", we took time out for a class function, a semi-formal dance.

But among our many joys we can remember when our hearts were saddened by the death of three of our classmates; Jean Yates, during our freshman year; Robert Ridley when we were sophomores, and Polly Ann Lesko in our senior year.

Now here we are seniors; all 126 together for the first time in home room with Bill Stonebraker leading us in our final year. Our fall function, Mardi Gras, and senior play "Keep Moving" were the highlights of the year. We distinguished ourselves from the other classes this year by wearing our bright yellow '49er sweatshirts. On sneak day we took a trip to Turkey Run.

Only a few more days and we will be saying farewell to our teachers and classmates and will be marching to the strains of "Pomp and Circumstance." Wido Olson and Glee Huges as valedictorian and salutatorian will express the feelings of all of us at graduation. They will convey our thanks to parents, teachers, and friends for the many opportunities afforded us.
